A to Z is the first step for introducing very young ESL students to the ABCs and phonics. Children love coloring the large images and build dexterity writing the upper and lower-case letters. Included are easy dot-to-dot coloring pages, mazes, and matching exercises. This textbook is the perfect primer for pre-school and kindergarten students!

ABC & Phonics, Book 1, gives your students page after page of ABC and phonics practice! Students are invited to write, color, and enjoy learning! Student progress can be assessed from page to page. Included are puzzles, games, songs, and exercises for creating a foundation in phonetic-based language learning.
Teach kids to read step by step!

*Phonics & Spelling, Book 2*, is our best selling textbook! Step by step, students review ABC phonics, learn to spell three-letter words, and read simple English sentences. The exercises progress in an easy-to-teach, easy-to-comprehend approach. You'll quickly see that this textbook was written by teachers for students! Included are review pages, puzzles, games, and more!

Phonics & Spelling, Book 3, takes students further in building English reading skills. You’ll be amazed to see students sounding out words and reading sentences on their own! Students are drilled in the spelling and pronunciation of words with silent e, double vowels, and the consonant groups sh, ch, and th. Exercise pages also include practice with numbers and basic question forms using do and can.
Phonics & Spelling, Book 4, completes the phonics series with almost two hundred packed pages of phonics lessons, word search and crossword puzzles, spelling tests, and Q&A drills. Exercises include vowel and consonant groups, silent k and g, and ion. Phonics lessons improve pronunciation, listening comprehension, and give your students the confidence to read.

Phonics Challenge, Book 1, drills young ESL students in identifying and spelling three-letter (CVC) words. This textbook utilizes matching and spelling activities, puzzles, games and reading and writing exercises. Phonics Challenge will give your students hours of engaging and enjoyable English practice.
Phonics Challenge, Book 2, drills young ESL students in identifying and spelling silent ‘e’ (CVCe) words through basic exercises, puzzles, and games. This book is divided into five sections with each section focusing on words with a, i, o, u and ea-ee-ey spelling. With review pages, game boards, reading, and writing exercises, Phonics Challenge will give your students hours of engaging and enjoyable English practice.
Easy Sight Words 1 drills students in a vocabulary of twenty-five 1 & 2-letter sight words. This textbook offers differentiated exercises for easy writing, word identification and reading practice. Review pages include word building and ordering exercises, graphing, game boards and more! With a focus on contextual language building, Easy Sight Words is complementary to any phonics and reading curriculum!

*Easy Sight Words 3* drills young ESL students in reading and writing sight words through basic reading comprehension, writing exercises, repetition activities, and games. Review pages include game boards, matching activities, and sentence-order exercises that help to develop students’ reading and contextual language comprehension skills.
Stories For Young Readers, Book 1, is a series of ESL readings that includes questions, grammatical explanations, exercises, and puzzles for beginning students. The stories explore present simple and present continuous. The book is designed to extend students' skills and interest in developing their ability to communicate in English. Teachers can utilize the stories and exercises for listening comprehension, reading, writing and conversation.
Stories For Young Readers, Book 2, furthers students' grammatical understanding and communicative abilities. The stories explore past simple, past continuous, and future with 'will' and 'going to.' Many of the stories are grounded in a contemporary culture of travel and electronic communication that students can readily identify with. Teachers can utilize the stories and exercises for listening comprehension, reading, writing, and conversation.
